SYLLABUS & EXAMINATION POLICY OVERVIEW

COURSE RATIONALE

For performers – the aim of the course is to give a guided approach to develop musical performance skills from beginner level through to advanced virtuosic artist.

For music-teachers – a stream to develop music-teaching skills, which instils a comprehensive, high-quality pedagogical framework for educators to inspire the next generations of musicians from beginners to advanced levels.

This syllabus can be used for students to enter at any stage. It isn't necessary to start from the entry grade and can jump and commence or continue at a level to match your technical abilities and current musical development. Your music teacher would be the best guide to select an appropriate grade to start.

The participant will develop an understanding of the fundamentals of music, at various stages of the course, including technique, posture, notation, rhythm, pitch, melody, expression, tone colour/timbre, style, harmony, creativity, and form.

Possible pathways after successful completion includes:

- for high school students, as an entry into tertiary music study or further training in a broad spectrum of music related careers.
- Offers student opportunities for personal development and encourages them to make an ongoing contribution to the culture of their community through participation in life-long music making.
- Becoming a music teacher.
- Becoming a creative artist in composing and/or arranging music.
- Becoming a musician for live or recorded performance.

LEARNING GOALS

Each step, grade, certificate, and diploma have different learning goals and requirements depending on the level. The aim and objective, ideas and concepts that underpins this course overall, is to create a well-rounded, balanced musician.

For **practical music**

Length and detail of the programme notes should reflect the grade entered.
- For **grade 8** the learning objectives includes the ability to display an advanced musical performance on the instrument with total control of all elements of musical performance, clear introduction to pieces as you would expect in a concert and a thoroughly well-researched written programme notes and analysis of the works presented.

APPLICATION and EXAMINATION ENTRY

All entries can only be made online, via the **agms.edu.au** site. Examinations are held at centres presenting sufficient candidate numbers to justify the visit by a **AGMS examiner**. If the **AGMS** finds it necessary to cancel an examination at a centre the candidate may then be directed to the nearest centre. If this, too, is found to be impracticable, then Video examinations may be offered. Fees will be refunded if the **AGMS** cannot service the examination centre or the alternative offered. Ensure the candidate’s name is correct when placing the entry. Once the certificate has been printed and posted, there will a AU\$20.00 fee to replace the certificate with the corrected name.

FEES, REFUNDS, TRANSFER

FEE LIST

A complete list of fees is published on the **agms.edu.au** website. All fees are paid online using the secure online credit card payment system.

FEE REFUND

Fees cannot be refunded. But in very exceptional circumstances, an application can be made to the **AGMS admin** for consideration for a fee refund. When the **AGMS** receives an application for an examination refund and it is accepted, a AU\$50.00 admin fee will be deducted from the refunded amount. In the case the **AGMS** is not able to service the examination centre for various reasons – for example, remote location, a full refund will be offered.

EXAMINATION RE-ENTRY

No fee concession is provided in the regulations for a repeat examination entry subsequent to failure to pass (NGS – not grade standard) the examination. The full fee prescribed in the current fee list for the particular Step, Grade, Certificate or Diploma must be paid in full when making another examination entry.

CONCESSIONAL RE-ENTRY

This type of examination entry concerns a candidate who misses an examination because of medical or other reasons. A fresh entry form must be completed. Attach a copy of the doctor's certificate or appropriate letter and enclose the necessary half fee(s) based on the current Fee List. This concession must be taken within 6-months of the original date of entry, otherwise it lapses, and any fees held in credit will then be forfeited. This procedure also applies to any examination for which a new time and date is requested by the candidate. When making this application, a candidate has the right to make a concessional re-entry at a higher Grade level. But payment for the balance of the half fee is necessary. All applications for concessional re-entry must be made through the **AGMS** admin.

TRANSFER OF FEES

Fees may **not** be transferred to the credit of another candidate - except in cases of hardship or similar circumstances within the family. Such a concession must be approved by the **Board of Directors** of the **AGMS** after an application in writing has been made.

ATTENDANCE AT EXAMINATIONS, ABSENT

Candidates may **not** interchange examination time periods without prior permission from the **AGMS** admin or the **examiner**. Candidates are required to attend the examination location fifteen minutes before the appointed time.

ABSENT CANDIDATES

Candidates absenting themselves from an examination to which they have been called and notified, will forfeit the fees paid. The only exceptions to this rule are in the event of a death in the family, illness or accident, school examinations being scheduled for the same date, or for religious purposes. An appropriate certificate or letter should be obtained and a copy attached to any future examination entry at half fee to be taken within six months of the original examination.

All accompaniments are the responsibility of the candidate. If using a backing track, it is the responsibility of the candidate to ensure there is an adequate sound system for the purposes of the examination.

EXAMINATION WORKS CHOSEN FOR PERFORMANCE

These should always be prepared in full unless otherwise indicated in the syllabus. Because of the length of some works, it may not always be possible for the examiner to hear the whole of the prepared work. The examiner may end any candidate's performance at any point when he or she is satisfied with what has already been performed.

WORKS AVAILABILITY

The **AGMS** does not carry stocks of list pieces, textbooks or literary works for sale or distribution other than its own publications. The **AGMS** cannot guarantee that the music and/or literary works in its lists will always be available from publishers and/or retailers. In some Lists where publisher's names are quoted, these are intended only as a guide or as a means of identification. Any standard edition is acceptable.

OWN CHOICE ITEMS

No authorisation of **own choice** items is required from step 1 to step 3, grade 1 to grade 7. Own choice items should be of a comparable level of technical and musical challenge as the recommended list selections of the grade. **Authorisation for own choice** items is only required for Grade 8 by contacting the **AGMS** admin. If you are unsure about the suitability of a work for any grade, please feel free to contact **AGMS** at any time.

IMPROVISATION

There is provision for Improvisation and embellishment of the sheet copy where appropriate. If candidates elect to improvise, care must be taken to maintain the work's integrity & difficulty.

INSTRUMENTS

Instruments used for performance should be of an appropriate quality and in good condition to ensure that the candidate can present their performance well. Instruments which may be used are acoustic piano, 88-note digital piano with weighted keys and keyboard (up to grade 2).

MEMORY

Although not a requirement, the playing of all music from memory is to be encouraged as many benefits can be derived from playing from memory.

MUSIC REPEATS

Candidates must be familiar with the repeats as marked in the examination pieces being played, but unless requested by the examiner, they need not be performed. However, *Da Capo* should be observed.

PHOTOCOPIES

The **AGMS** complies with all international copyright law and does **not** allow the use of photocopies, unless the original is present, and the copy is only used to facilitate the ease of page turning. Candidates should be aware that if photocopies are used, the examiner may refuse to allow the examination to proceed until an original publication is obtained. Any lost time, therefore, would be at the candidate's expense, as the allotted examination period could not be changed.

PENCIL MARKS

All references to time, keys, modulations, form, word, or sign meanings, or similar teaching aids, must be completely erased from each piece of music before entering the examination room. Essential marks relative to performance may remain.

NATIONAL AWARDS & SPECIAL CERTIFICATES

National Awards and Special Certificates are awarded every year. Many donations are received on a regular basis for the **Annual AGMS Award and Concert Presentation** from supportive teachers and others as well as from businesses. The **AGMS** is grateful on behalf of all candidates for this valued support, as is it devoted wholly to the many successful examination candidates who have endeavoured and achieved in the preceding year. Candidates with 90 marks and above from their examination are put forward for consideration to be invited to receive a national award. There are also opportunities to receive **scholarships**, and **prizes** at this **Award and Concert Presentation**.

ACCESSIBILITY POLICY

The **AGMS** works to provide flexibility and opportunities for students who have either physical or mental disabilities. The **AGMS** can accept entries from candidates who are physically handicapped or who are blind. Details of the disability should be quoted at the time of entry so that examiners can be alerted to any unusual set of circumstances which may arise. Examination requirements can be varied in accordance with the **AGMS** philosophy of rewarding disciplined endeavour and skill and supporting self-esteem. Contact the **AGMS** admin about this matter.

EXAMINER

EXAMINER'S DECISION & APPEALS PROCESS

The examiner's decision is final. However, it is possible to appeal this. This appeal must be instigated within two-weeks of receiving the results by addressing such to the **AGMS Board of Directors**. Should there be sufficient evidence for the appeal to be successful, then the candidate will be offered the opportunity to resit the examination at a mutually convenient time with a different examiner.

EXAMINER REQUIREMENTS & RELIABILITY POLICY

All **AGMS** examiners are professionals in their field and undergo a period of supervised training to be appointed as an **AGMS** examiner. This ensures **AGMS** examiners are highly aware of the syllabus criteria and marking scheme. The **AGMS** has an examiner training courses at different levels. Periodically, all examiners attend a moderation session to ensure a consistent mark between the examiners. All examiners and staff hold current working with children check, blue card or equivalent.
